STATINTL

Thank you for your letter of 17 March.

I am pleased to tell you that our previous position regarding your application for employment with us has been reconsidered. We are ready to proceed with further evaluations with the caveat that you would not be considered for assignments to the area toward which your brief Peace Corps training period was directed.

As you are aware, I am sure, there are a number of "processing" steps yet to be taken, but I can assure you that action is proceeding.

Again, we appreciate your interest in our service and want to assure you that your application will receive every consideration. I hope to be in touch with you fairly soon regarding our progress in completing these steps.

Sincerely,

E. D. Echols  
Director of Personnel
